

HOLE IN ONE FOR THE

Hawks

ANNUAL HAWK FOOTBALL GOLF & DINNER OUTING

EIN number - 82-0904294

SPONSORSHIP OPPORTUNITIES

The purpose of the Hawk Touchdown Club is to support and enhance the Indian Trail High School & Academy football program at all levels through volunteer assistance and fundraising programs, while promoting the highest standards of spirit and sportsman ship. Hawk Touchdown Club also acts as a liaison between the football teams, parents, school administration and general public. We provide financial and volunteer support for the many things needed to run a successful football program, including practice equipment, video equipment, coach training and certification, team building activities, game management, weight room equipment, team dinners, community service initiatives, banquets, awards, and team website. We raise money through various fundraisers throughout the year and from the generosity of the community and parents of our student athletes. Our Annual Hawks Football Golf and Dinner Outing is our primary way to raise the additional funds needed to support our teams on their quest to have a competitive Division I Football program. We cannot do all of this without your support. Please consider making a donation to the Indian Trail High School & Academy Football program. Donations of all sizes are appreciated.
